

## MARTIN OVMTR

Well done to Martin our instructor who has completed his training to become a Ogwen Mountain Rescue Team member!

Ogwen Valley Mountain Rescue Team are a cornerstone in keeping people safe in the hills.

Educating outdoor enthusiasts on how to prevent incidents, and always being on hand for when we need them.

The team is made up of volunteers who dedicate their time and efforts into the safety of others.

### BMC Meet

A massive thank you to everyone who attended the BMC North Wales area meeting on the 30th of April 2025 at the Boathouse Climbing Centre! We appreciate your support and interest in the local climbing community.

The BMC are an integral organisation that work hard to protect the rights of all climbers, hill walkers and mountaineers. The Boathouse is an associate member, ask staff for more details on how you can get involved.

### Reduce, Reuse Recycle!

Since the Boathouse has opened in 2019, we have tried to be sustainable with all of our old gear.

We have repurposed our equipment for non-technical use. By donating and supporting a variety of causes and groups.

These include, helping keep children active by making skipping ropes and den building equipment. Donating equipment to police and military dog units.

Most recently our old ropes are helping the Welsh Mountain Zoo develop a shaded area for their Californian Sea Lions.

Please donate any old ropes, harnesses, and helmets in centre. They will be used for our upcoming projects!

## Outdoor Activity Days - Book Now

Every Monday and Wednesday over the summer holidays we are running private and open outdoor sessions. Call the centre to enquire and book.

Sessions available:

- Canoeing and Kayaking
- Gorge Scrambling
- Climbing
- Mountain Walking and Navigation

## Women's Intake Course Progression

Over 25 women have completed our intake course. Nic and Claire are soon to complete their first ever lead climbs with the Boathouse.

What is the Women's Intake Course?

A four week course that takes you from a novice climber to a competent boulderer and belayer. Great for learning or refreshing skills. Call the centre to book today.

## Bolting Course - GoVerticalClimbing

Being a climbing centre located in Llandudno North Wales, we think that it is important to be an active member of the local climbing community. That's why we have sent our instructors on a bolting course to help maintain and keep the local crags safe.

Thank you [@goverticalclimbing](#) for an informative and thorough course. We cannot wait to continue our involvement in safe accessible climbing.

You can support the bolt fund in centre and even purchase the new 2025 supplement where the proceeds goes directly to the bolt fund.
